Chapter 1 Important Announcement: HikCentral Connect End of Maintenance Notice

1. Thank you for supporting HikCentral Connect so far. We would like to inform you that the HikCentral Connect will no longer be upgraded or maintained from 31/12/2025.
2. To ensure continued access to advanced features and optimal performance, you are invited to try the new version "[Hik-Connect for Teams](#)" for upgraded features of video management, access control, attendance, video intercom, on-board monitoring, and analysis report services.
3. This document will guide you on how to upgrade your HikCentral Connect account to the Hik-Connect for Teams account. For any questions, please contact the local technical support of Hikvision.

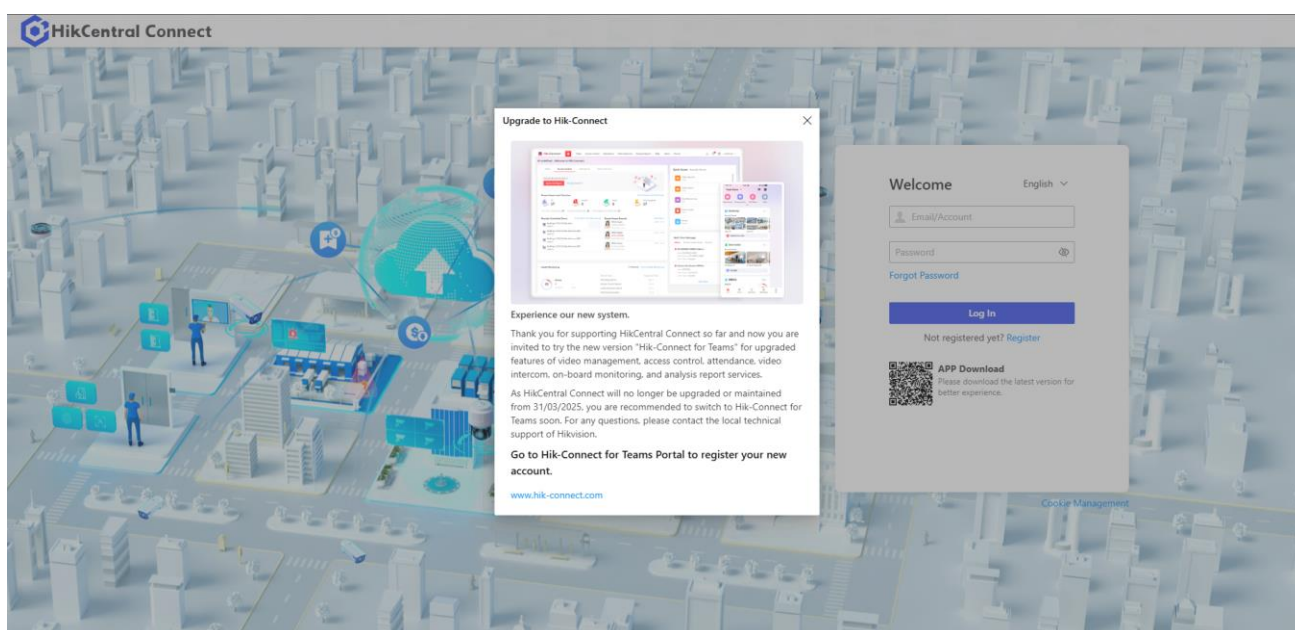

Figure 1-1 Stop Registering the New HikCentral Connect Account

Note

- If you have not registered the HikCentral Connect account, please go to [Hik-Connect for Teams](#) to register your new accounts. We will stop registering new HikCentral Connect accounts since 01/07/2025.
 - If you have already registered the HikCentral Connect account, please log in to your account and upgrade your HikCentral Connect account to the Hik-Connect for Teams account according to this document. We will gradually enable the HikCentral Connect accounts upgrade to the Hik-Connect for Teams accounts in different countries/regions in July 2025.
